Corrigendum - 1

08.09.2016

With reference to NIT No.: 95/Yojna-AV/EEC-IV/CE(E)/NRDA/2016-17, Naya Raipur, Dated: 23.08.2016 for the work of Designing, Supplying, Installation, Integration, Testing and Commissioning of Audio Visual conferencing & control system for Rajya Yojna Aayog Bhawan, North Block, sector 19 at Naya Raipur; the following reply is made to the pre bid query received:-

Sr. No	Bid Query	Clarification
1	Referring to the items of LCD/DLP Projectors, you are requested to delete Epson from NIT which is not technically and commercially at par with other makes of NIT.	No Change. Follow the specification for the items of BOQs.
2	Kindly delete Black magic make from the respective category of the items as the said brand is not technically and commercially at par with other makes of the NIT.	
3	Referring to the items of speakers-kindly replace R&H Make mentioned in the NIT with Renkus-Heniz as there is no make available by name of R&H and its creating confusion to recognize the brand.	R & H mentioned in the make list can be read as Renkus-Heniz+
4	Referring to the items of CCTV surveillance system the, specification are proprietary in nature and matching to Honey well make only. Also Honey well and Axis makes are not technically and commercially at par with Sony and Bosch makes hence Honey well and Axis makes should be deleted from the NIT and considered Pelco make along with Sony and Bosch which are technically and commercially at par Brands.	Not related to BOQ items
5	We should like to inform you that item no. 57-74 of list of approved makes are not available I the Schedule . A (Price Bid) to offer the pricing . Kindly clarify the same.	

All other terms and condition shall remain same.

Chief Executive Officer
