ENVELOPE-1	EMD & Cost of tender in the prescribed format
ENVELOPE-2	Technical Tender consisting of the documents/ certificate in proof of prequalification criteria PART ONE (NRDA F-1) excluding schedule-A
ENVELOPE-3	Financial Tender PART ONE (Schedule-A) (Price Bid should also be submitted as soft copy in MS Excel 2007,in CD)

All the three tenders shall be put in a fourth envelope which shall be dully sealed. **All the 4 envelopes shall be super-scribed with the Name of Work and Name of intending tenderer. Respective envelopes shall also be marked as envelope 1, envelope 2, and envelope 3 as detailed above.** Tenders who do not conform to the specified requirements will be held non-responsive.

Initially, only the **envelope -1** shall be opened, if found responsive then the **envelope-2** (Technical tender) shall be opened at the date and time given in the Tender Document. The Price tender shall remain sealed and unopened in the custody of NRDA.

After technical evaluation, date and time of opening of price bid shall be communicated by NRDA to the successful tenderer in technical evaluation. The Price tenders of only the tenderer found qualified as per the PQ criteria shall be opened in presence of the tenderer who wish to be present. The Contract shall be awarded to the tenderer whose tender has been determined to be the lowest evaluated as per tender conditions.

7. All Tenders must be accompanied with the

Signature of Contractor.....

Signature of NRDA.....

- a) **Earnest money** as mentioned in the Para 2 above. The Earnest money shall be payable in favor of *Chief Executive Officer NRDA*, in the form of a **Bank Draft payable at Raipur/ Bank Guarantee Operatable / Encashable at Raipur with their local branch address, drawn from a nationalized bank/ Scheduled Bank. Bank Draft and Bank Guarantee shall be valid for a period of 3 (three) months and 6 (Six) months respectively from the date of submission of tender**
- b) **Cost of tender** as mentioned in the Para 2 above. The Cost of tender money shall be payable in favor of *Chief Executive Officer NRDA*, in the form of a **Bank Draft payable at Raipur drawn from a nationalized bank/ Scheduled Bank** which shall be valid for a period of **3 (Three) months** from the date of submission of tender.
8. Tenders shall be submitted at the address below on or before due date. Tenders received after the due date or time for tender submission (Late tenders) will either not be accepted or if inadvertently accepted, will not be opened and shall be rejected and returned back to the tenderer subsequently.
9. (a) NRDA reserves full rights to reject any or all the tenders without assigning any reason, and to seek any further information from the tenderers. The selection shall be at the entire discretion of NRDA and the NRDA's decision in this respect shall be final and binding. Further NRDA reserves right to split the contract in two or more parts. This shall be at the entire discretion of NRDA and NRDA's decision in this matter shall be final and without appeal.
- (b) The competent authority on behalf of NRDA does not bind himself to accept the lowest or any other tender, and reserves to himself the authority to reject any or all of the tenders received without the assignment of a reason. All tenders in which any of the prescribed conditions is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer, shall be summarily rejected.
10. (a) Tenders shall be valid for 90 (Ninety) days from the last date of submission of the tender. NRDA will not be responsible for any costs or expenses incurred by Tenderers in connection with the preparation or delivery of Tenders. If any tenderer withdraws his tender before the said period or issue of letter of acceptance/intent, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the NRDA, then the NRDA shall, without prejudice to any other right or remedy, be at liberty to forfeit entire amount of Earnest Money as aforesaid.
- (b) Any bidder, who has withdrawn his proposal or have been disqualified on the basis of the above clause, shall not be eligible to submit the tender in the recall of such tender.
- (c) Subletting of the contract or Joint Venture in any case shall not be allowed. In case subletting is done or proved during the contract, the work shall be closed at the stage as it is and the SD / Retention money/any other deposits available with department shall be forfeited.
11. Pre tender meeting with the tenderers will be held as mentioned above in the Office of **Chief Executive Officer**, NRDA, and Raipur. Tenderers are advised to participate in the pre-tender meeting. The intending tenderers are advised to send their queries to NRDA either by post or by email to ceo@nayarapur.com and cee@nayarapur.com upto the date mentioned in the Para 2 as above.
12. **Clarification/ amendments, if any shall be uploaded on website only.**
13. Period for completion of work as mentioned above at Para 2 is inclusive of rainy season.
14. Approved hard copy of the standard document is available in the office of the employer and could be seen on any working day during office hours at the following address:-
Chief Engineer (Engg), NRDA
Opp. Police Station, Near Water Tank, VIII, New Rakhi, Naya Raipur-492015, Phone: 0771-2971000
15. The intending tenderers are advised to cross check the downloaded version of the tender document with the hard copy available with NRDA.
16. In case of any discrepancy between the downloaded tender and the approved hard copy, the approved hard copy shall hold good for contractual as well as legal purposes.
17. Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders, as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general, shall themselves at their own cost obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect the execution of work and shall incorporate the cost of

Signature of Contractor.....

Signature of NRDA.....

such effects while quoting the tender, A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed, The tenderer shall be responsible for arranging and maintaining at his own cost all materials tools & plants, water, electricity, access facilities for workers and on all other services required for executing the work unless otherwise specifically provided in the contract documents. Submission of tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and local conditions and other factors having a bearing on the execution of the work.

18. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
19. The successful tenderer shall be required to execute an agreement on a non judicial stamp paper of appropriate value with the **Chief Engineer (Engineering), NRDA** in the Proformas annexed to the tender document, within 7 days of the issue of letter of acceptance/ award by the NRDA. The cost of non judicial stamp paper shall be borne by contractor. In the event of failure on the part of the successful tender to sign the agreement within 7 days, the entire earnest money will be forfeited and tender shall be cancelled.
20. The successful tenderer, upon issue of letter of acceptance, in addition to execution of an agreement on a non judicial stamp paper of appropriate value, shall also be required to furnish an irrevocable Performance Bank Guarantee of requisite amount to the **Chief Engineer (Engineering), NRDA** in the Performa annexed to the tender document, within 7 days of the issue of the letter of acceptance /award of Tender by the NRDA. In the event of failure on the part of the successful tenderer to furnish the Performance Bank Guarantee within 7 days, the earnest money will be forfeited and tender shall be cancelled.
21. This Notice Inviting Tender shall form a part of the contract document. In accordance with clause 1 of the contract, the letter of acceptance/ award shall be issued in favour of the successful tenderer/ contractor. After submission of the performance guarantee, by the contractor, the General arrangement drawings and other details for commencement of work shall be issued. The contract shall be deemed to have come into effect on issue of communication of letter of acceptance of the tender. On such communication of acceptance, the successful Tenderer/ Contractor shall, within 7 days from such date, formally sign the agreement consisting of:-
 - a) PART ONE of the Tender documents along with detailed NIT as issued to the contractor at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto and
 - b) PART TWO of the Tender document i.e. "General conditions of contract duly modified / corrected to the extent as specified under PART ONE (though not issued to the contractor but always available for inspection on written demand at the office of the officer inviting tenders specified under Schedule F of PART ONE of the Tender Document) and deemed to have been consulted, inspected, understood and considered by the tenderer before quoting and submitting his tender.
 - c) Agreement signed on non-judicial stamp paper of appropriate value as per prescribed proforma of tender documents.
22. **GCC is available as a standard NRDA Publication and can also be downloaded free of cost from the NRDA web site under title "General conditions of contract" for Contractors in construction Contracts" However contractors are advised to refer to PART ONE of the tender document carefully and thoroughly for corrections/ modifications in the "General conditions of contract" Standard form NRDA F-2/3 is also available for inspection in the office of the Engineer in charge on written demand from contractors. Link site <http://nayaraipur.gov.in/documents/gcc.pdf>**
23. While submitting the tender the contractor shall clearly and legibly write his full mailing address including PIN code, Telephone/ mobile no./ Fax Numbers/ e-mail address etc for communication purposes and shall inform the Engineer in Charge about any change from time to time in his postal/ mailing address. The communication shall be dispatched only at the contractor's such latest informed address and NRDA shall in no way be responsible for non-receipt of correspondence by the contractor.
24. It is found that the contractor has misrepresented that facts or has attempted to secure or has secured the work by misrepresenting the facts or by submitting false or forged documents then the Entire Earnest Money submitted by the contractor and or the Performance Guarantee and/ or the Security Deposit as

Signature of Contractor.....

the case may be, shall be liable to be absolutely forfeited and such contractor/ individuals shall also be liable to be prosecuted for cheating/ forgery/ fraud etc as per law.

25. Bill of quantities is enclosed with tender document, the rate shall be quoted against each item separately in figures as well as in words

During price Tender evaluation, the Employer will correct arithmetical errors on the following basis:

- a) if there is a discrepancy between words and figures, following procedure shall be followed:
 - i. the unit price which correspond to the total price for the item worked out by the Tenderer shall be followed;
 - ii. If the total price of an item is not worked out by the Tenderer or it does not correspond with the rates written either in words or figures then the rate quoted by the Tenderer in words shall be taken as correct.
 - b) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected;
 - c) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.
 - d) The unit wise amounts will be rounded to the nearest rupee
 - e) The tendered rates of items against which no rate or price is entered by the tenderer will be taken as zero and the price of the same shall be deemed to have been covered by the rates/amount quoted in other items.
26. The tender document shall be written legibly and free from erasure, overwriting or conversion of figure. Any correction where unavoidable shall be made by crossing out, rewriting and attestation by the tenderer.
27. All royalties be paid by the contractor as also all tolls, duties, local and other levies including sales tax, insurances & workman compensation act etc.
28. Applicable service tax shall be reimbursed separately on production of receipt of payments of Service Tax.
29. Contractor will be bound to follow CG Model rules relating to its water supply & sanitation in labour camp.
30. The contractor shall pay not less than the minimum wages to labours engaged by him on the work.
31. Department reserves the right to take up the work departmentally or to award any work on contract in the vicinity without prejudice to the terms of contract.
32. If the rate quoted by the lowest (L1) of the tenderer is considered unbalanced (in relation to the Department's estimate of cost of work to be performed under the contract) by the CEO, NRDA, then tenderer shall submit detail price/rate analysis of major items of the work within 7 days of such notice so as to demonstrate the internal consistency of these price/rate(s) with his quoted price/rate(s). After evaluation by tender sanctioning authority CEO, NRDA may require the tenderer to submit additional Security upto 5% of the estimated cost put to tender for the performance of the agreement in the shape of F.D. Or a BG receipt in favor of the CEO, NRDA before signing of the agreement, which shall be refunded along with the normal S.D. after Completion of work. If he fails to complete the work or leave the work in complete, this 5% additional SD, shall also be forfeited by the department, in addition to other provision of the contract & the agreement shall be terminated and action shall be taken in accordance of relevant contract clause of the agreement.
33. **Important Instructions to Tenderers** :The tenderers who have down loaded the tender documents from the web site, should read the following important instructions carefully before actually quoting the rates & submitting their tender on the tender document downloaded from the web site:
- a) The tenderer should see carefully & ensure that all the pages of PART ONE (NRDA F-1) of the tender document including schedule of quantities of items of work (NRDA F-1 Schedule-A) has been down loaded properly & completely.
 - b) The printout of the downloaded tender document shall be taken on A-4 size plain white paper only & the printer settings shall be dept to ensure that the downloaded document is printed in the same

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No.) (hereinafter referred to as "Tender/Bid") and intends to award, under laid down organizational procedure, contract for

(Name of work)

Herein after referred to as the "Contract".

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

(1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:

- (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
- (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all

Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

- (c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- (2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

- (1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- (2) The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
- (a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
- (b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
- (c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.
- (d) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- (3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- (4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.
- (5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices

(means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- (1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.
- (2) Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
- (3) Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- (1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.
- (3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- (1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors.
- (2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- (3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the

Principal/ Owner and the bidder, along with the Tender or violate its provisions at any stage of the
(4) Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, Naya Raipur Development Authority, Naya Raipur (C.G.).

Article 7- Other Provisions

- (1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Head quarters of the Division of the Principal/Owner, who has floated the Tender.
- (2) Changes and supplements need to be made in writing. Side agreements have not been made.
- (3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- (4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intensions. It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8- LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

WORKS REQUIREMENT

This section contains the brief idea of scope of work, supplementary information etc. regarding the work to be executed under instant tender, may vary as per site requirement. In case of any change the decision of Engineer-in-charge will be final and binding to the contractor. The work however shall be executed as per BOQ.

A. GENERAL REQUIREMENTS APPLICABLE FOR ALL SCOPES OF WORK

- 1. WORKING DRAWINGS :**The Contractor shall at all times maintain on site, in good order and condition, a complete set of all drawings duly laminated and documents necessary for the proper execution and checking of the Works. These drawings and documents shall be made available on request to the Engineer in Charge or other authorized persons on site. Any amendment shall be indicated on the drawing, dated and signed by the Authorized person in charge, with reasons stated if possible.
- 2. AS-BUILT DRAWINGS:** The Contractor will supply four hard copies & a soft-copy of the approved built up drawings on completion of work. The cost of preparing all such items of work shall be deemed to have been included in the respective rates/ prices quoted by the Contractor in the "Bill of Quantities.
- 3. SHOP DRAWINGS:** The contractor shall also provide shop drawings for various sub-parts of the tender for approval by the Engineer in Charge/Architect. Areas of detailing shall include (but will not be limited to) MEP and Landscaping Works .The shop drawings shall be conformance to the actual site conditions.
- 4. SAMPLES:** The contractor shall submit to the Engineer in Charge samples of all materials for approval and no work shall commence before such samples are duly approved. The cost of the samples shall be borne by the contractor.
- 5. TESTS:** The entire mandatory test shall be carried out at the frequency as mentioned in the specification. All materials and methods of tests shall conform to the latest rules, regulation and/or individual specifications as laid out in the technical specifications. The Engineer in Charge will have the option to have any of the materials tested and if the test results show that the materials do not conform to the specifications, such materials shall be rejected. A reasonable number of representative tests will be deemed to be included in the rates tendered.
- 6. SITE CLEANING:** Upon completion of the scope of the work all the areas should be cleaned. All floors, doors, windows, surface, etc. shall be cleaned down in a manner which will render the work acceptable to the Engineer in Charge and employer. All rubbish due to any reason, shall be removed daily from the site at the cost of the contractor and all such costs are deemed to have been included in the price quoted by the contractor.
- 7. MAINTENANCE IN DEFECT LIABILITY PERIOD:** The Contractor shall be obliged to remove / repair / replace/ the defects for the entire system during defect liability period (DLP) of twenty four (24) months after the final official hand over date of the civil work/other installation, duly approved by the consultants and project managers. This period shall include maintenance replacement of parts, regular periodic visit by qualified personnel of the Contractor and attending to emergency call at short notice.
- 8. WARRANTEES/GAURANTEES-** The contractor shall also make available to NRDA all the warrantees/guarantees by the respective manufacturers for all material and equipment installed in the project along with the user/training manuals, test reports, contact details etc. as along with the built-up drawings of the project upon completion of project.

Signature of Contractor.....

Signature of NRDA.....

9. Maintaining the work in finished condition against defects for a minimum of specified defect liability from the date of commissioning and imparting training to the workers/staff as asked for maintaining the work as per IS requirement and exercising.
10. Items not covered under these specifications due to any ambiguity or misprints, or additional works, the work shall be carried out as per specifications or the latest N.B.C. manual up to date amendments as applicable in the work.
11. The contractor shall be responsible for making good the wall/slab/beam/column chases and cut-outs wherever provided on account of plumbing, fire protection, electrical & HVAC work cross-over and shall hand-over the site in finished condition.

B. GENERAL SCOPE OF WORK

1.1 SCOPE OF WORK:

The scope of work will include- Supply, Fabrication and Erection of detachable hollow section structure(Bolted Contraction) for lifting, Shifting and unloading system of capacity up to 1000 kg for dismantling of motor and Fan assembly from the top of cooling tower of heights approx. 6.5 Mtrs from the base of cooling tower along with travelling trolley(push pull type) and chain pully block manually operated attached with structure dully painted with 2 coat of Red Oxide Zinc Chromate and 2 coat of synthetic enamel shade as per directed by Engineer-in-charge.

Material to be of best quality:

The whole of the materials, employed in connection with the permanent work, shall be new and of the best of its kind. All materials shall be in accordance with these specifications and shall be as approved by the engineer's representative.

Standards:

Except where otherwise specified or permitted by the engineer in charge, all material shall confirm to the latest edition of Indian /international Standard Specifications.

Signature of Contractor.....

Signature of NRDA.....

SCHEDULE– D
Section-IV
Special Conditions of Contract

SPECIAL CONDITIONS OF CONTRACT

1. GENERAL

The Special Conditions of Contract are to be read in conjunction with General Conditions of Contract. If there are any variations or discrepancies or conflicting provisions, the provisions in Special Conditions shall take precedence over the provisions in the General Conditions of Contract.

All additional facilities/equipment/ office etc. to be provided by the contractor, as mentioned in the tender, document outside the BOQ shall not be paid separately, and shall be deemed to have been included in the rates quoted by the contractor.

2. ACCESS

The Contractors are to verify the work site details including:-

- a) Access,
- b) Availability of water supply and electrical energy,
- c) Space for dumping stores and materials and
- d) Space for erection of site office,

The Contractors are deemed to have catered for all contingencies connected with the site, access, water & electricity.

3. SUPPLY OF WATER

Water will not be supplied by NRDA and the Contractor shall make his own arrangements. NRDA will give recommendatory letter to the concerned authority if so requested by the Contractor. However, NRDA shall be in no way responsible for obtaining permission and no claim on account of this will be entertained.

4. ELECTRIC SUPPLY

- a) Electric power both for construction and lighting shall not be made available to contractor. Contractor shall arrange at his own cost power with necessary switch boards, energy meter etc. and shall be responsible for their maintenance.
- b) Further distribution by the Contractor at his cost shall be done as per approved layout. He shall provide required clearances for overhead lines to facilitate easy movement of heavy machinery such as cranes etc. These shall be shifted and rerouted at Contractors cost during execution of work if the same are found to obstruct any other work of any agency working at site or requires shifting due to unforeseen reasons.
- c) On completion of the work the Contractor shall remove all wiring installed by him and make good to the satisfaction of Engineer if any disturbance or damage is done.

- d) The Contractor shall employ an Electrical Agency as approved by the Engineer for carrying out this work.
- e) The Contractor has to keep alternative arrangement ready at his own cost for any failure/interruption of electric power that takes place and under no circumstances can this be deemed to be reason for any consequential delay in the works.
- f) Any disputes in sharing of power obtained directly/ indirectly from CSEB with other agencies shall be resolved by the contractor at his risk and cost. NRDA shall not be responsible or a party for such disputes.

5. DEFECT LIABILITY

The Contractor shall be responsible for rectification of defects, during the defect liability period as per clause 17 of GCC after the certified date of completion by the NRDA. This period shall be known as Defects Liability period as defined in CL. No. 17 of the General Conditions of Contract. Subsequent to the taking over of the works and after it has been in use, its removal/correction of defects would be the responsibility of the Contractor. Any defects or failures during this period shall be rectified by Contractor within one week of intimation in writing. If the same is not carried out in the stipulated time, NRDA shall have the right to get it repaired departmentally or through any other agency, entirely at the risk and costs of the Contractor as detailed in the GCC clause. No. 17.

6. GRIHA COMPLIANCE- NOT APPLICABLE.

7. SAMPLES

7.1 Material

- a) The Contractor shall furnish to Engineer for approval, with reasonable promptness and with reasonable time for consideration, adequate numbers of samples of all the materials to be used in the work, irrespective of whether material/product is from approved list given in tender. He shall permit and account for all costs in his quotation toward supply, testing, examination at site or at any approved place by the Engineer. The choice of approval of materials rests with NRDA unless otherwise specified.
- b) All material samples shall be delivered to the Engineer's office at the Contractor's cost. Each sample shall be in duplicate and properly labelled as under-
 - Name of Project
 - Name of Contractor
 - Name of Product
 - Name of Manufacturer
 - Item reference of BOQ
 - Date of Submission

- c) Samples shall be accompanied with technical specifications / catalogues / test results of manufacturer.
- d) In case the Contractor intends to keep an approved sample in his possession, he shall submit additional set of samples for Engineer's approval.

7.2 Standards of Acceptability

- a) In order to establish the standards of acceptability for materials and finishes, the Contractor shall finish in all respect a mock up for approval jointly by C E & Architect.
- b) The Contractor shall give notice in writing in this respect and shall obtain approval through Engineer in Charge from the CE NRDA. Approval should be taken well in advance so as not to delay execution of work.

7.3 TESTING OF MATERIALS IN OTHER LABORATORY –

7.4 If required by the Chief Engineer, NRDA out site testing of material is done at a recognized laboratory anywhere in India.

7.5 All testing charges for the above shall be borne by the Contractor. In case, the testing charges demanded by the testing authorities is not paid by the Contractor within 15 (fifteen) days, then the same will be paid by NRDA with due recovery from the Contractor's bill for the project.

8. CRECHE FACILITIES FOR THE CHILDREN OF CONSTRUCTION LABOURER – NA.

9. SUBMISSION OF DETAILED Design & Programme OF COMPLETION

The Contractor shall comply with all police regulations in connection with the use of public roads and footpaths in so far as they affect the works.

24. ENGINEER

24.1 Engineer for this project shall be the Engineer or the person nominated or appointed by NRDA from time to time and shall include any person duly authorised by them.

24.2 Engineer shall be responsible for the execution of the project with regards to management and supervision. Instructions issued by the Engineer to the Contractor shall be deemed to be the Employer's instructions in respect of-

1. Day to day supervision including material testing.
2. Approval of material and workmanship.
3. Matter of urgency involving safety or protection of person or property.
4. Monitoring progress of work.
5. Interpretation of specifications
6. Issue of additional drawings
7. Certification of measurements and bills and issue of certificates accordingly for interim and final bills.

24.3 Engineer shall hold fortnightly progress meetings at site for evaluation and execution of works. The Contractor shall assist in providing revised programmes, cash flow charts in the format required by Engineer/ NRDA.

24.4 The Engineer shall coordinate works at site of all agencies appointed by the Employer.

27. ENGINEER'S SITE OFFICE

NA.

28. TRANSPORTATION

NA.

29. PROVIDING COMPUTER & OTHER EQUIPMENTS AT SITE OFFICE

NA.

30. TELEPHONE CONNECTION

NA.

31. TIME SCHEDULE FOR COMPLIANCES

As per work order.

32. APPROVAL OF ENGINEER

NA.

33. PERMISSION FOR CONSTRUCTION OF SITE OFFICE/ GODOWN/ LABOUR HUTS:

No final bill payment shall be made unless the site is cleared in all respects by the Contractor.

34. CONDITIONAL TENDER

The Tenderer shall note that the clarifications shall be obtained in the pretender meeting and the tender should be submitted without any conditions, whatsoever. Clarifications given to the various tenderers in the pre-tender meeting would be summarized by NRDA and would be issued to every tenderer as "Minutes of Pre-Tender Meeting". The same will be binding on all the tenderers irrespective of whether they have attended the pre-tender meeting or not. The Minutes of the Pre-Tender Meeting would form part of the Contract Agreement and the Tenderers should submit the Financial Offer taking into consideration the same. The Tender submitted with conditions would be summarily rejected.

35. SITE ORDER BOOK & OTHER BOOKS REQUIRED

The Engineer will maintain Site Order Book at the site of work. The Contractor or his authorized representative shall sign all the instructions received therein, in token of having received the same and shall comply with them forthwith.

All other books of record at site shall have to be maintained as required in the CPA Code of works.

36. DISCOVERY OF BURIAL REMAINS

NA.

37. POURCARD SYSTEM

NA.

38. CLEANING OF SITE

- a) All water which may accumulate on the site during the progress of the works or in trenches and excavation shall be removed from the site to the satisfaction of the Engineer at the Contractor's cost. Site shall be maintained free from rubbish. Proper stacking of scaffolding material, shuttering material bricks/ brickbats, steel pieces, etc. needed for work on day to day basis shall be organized in proper stacks. Heaps of material lying around in unplanned manner and disorderly fashion shall not be permitted. Engineer's decision in this matter shall be final.
- b) The Contractor shall not, at any time, do cause or permit any nuisance on the site or do anything which shall cause unnecessary disturbance or inconvenience to Employer, tenants or occupiers of other properties near the site and to the public in general. The Contractor shall install mosquito proof and accessible water storage tanks for construction and drinking water.
- c) Any expenditure that may be incurred by NRDA to ensure that the above conditions are fulfilled by the Contractor will be debitable to Contractor's account and will be recovered from the running bills of the Contractor from time to time.
- d) Cleaning: Remove staining or reactive materials from new surfaces immediately during course of the Work.
- e) Debris: Remove hazardous accumulations of debris promptly, at least daily.
- f) Dust: Confine dust producing operations during painting and finishing .Vacuum immediately after completion.
- g) TRASH DISPOSAL
- h) General: Keep new buildings and site free from accumulations of waste materials.
- i) Removal: Remove cartons, crates, wrappings, lunch trash, and other trash from each room daily. Provide trash receptacles on each floor of each building and in convenient locations on the site.
- j) Burning: Do not burn trash or other materials on Owner's property.
- k) EXCESS MATERIAL; General: Remove excess materials, including demolished materials, excess earth, and excess building materials from Owner's property and dispose of legally.
- l) Clean: Keep paved drives on Owner's property and public streets and alleys clean, by cleaning daily, or more often if necessary, of earth and debris spillage from trucking involved in construction operations.

NA

40. WATCH AND WARD

NA

41. MOBILISATION PERIOD

NA.

42. METHOD OF CARRYING OUT THE WORKS

NA

43. CONTRACTOR RESPONSIBLE FOR SUFFICIENCY OF MEANS EMPLOYED

The Contractor shall take upon himself the full and entire responsibility for the sufficiency of plant, centring, scaffolding, timbering, machinery, tools or implements and generally for all means used for the fulfilment of the Contract. In the event of any of these means proving insufficient, the Contractor is still fully and entirely responsible for the sufficiency of these means notwithstanding any previous approval or recommendation that may have been given by the Engineer.

44. DRAWINGS

NA

45. STANDARDS

In various places throughout this specification and the bills of quantities, reference is made to the standards, specifications and byelaws issued by the Indian Standard Institutions and other similar organizations. These references shall in every case be deemed to include the latest edition or issue of such standards, specifications and byelaws including all revisions, amendments and addendum subsequently issued. Where materials are not specified and standard exists in respect of such materials, then the materials shall in all respects comply with relevant and current I.S.I. In such cases where I.S.I. do not exist, the best manufacturers' specification shall be followed; in absence of all these, Engineer's instruction shall be followed.

46. SUPERVISORY STAFF [As per clause 36 (i) of schedule F of the tender]

The Contractor shall engage on the work a qualified and experienced Engineers, Supervisor, capable of managing and guiding the work properly as detailed in CI36(i) of schedule F of the tender Form F-1. This supervisor shall be authorized by the Contractor in writing to receive the orders issued by the Engineer from time to time. The Contractor shall be responsible for carrying out these orders promptly.

47. FIRE PRECAUTIONS

The Contractor shall comply with fire regulations of the controlling authority in force at the site of the works relating to the precautions to be taken against fire hazards.

48. USE OF SITE

The Contractor shall not use any portion of the site for purpose not connected with the works without the prior written approval of the Engineer. He shall maintain permanent and site access roads free of spillage and shall not interfere with the flow of traffic. Also same shall apply to terraces and other developed areas. This clause shall be read in conjunction with clause no. 15 of the Special Conditions of Contract.

49. SAFETY ENGINEER

NA

50. QUALITY ASSURANCE MANUAL AND SAFETY MANUAL

a) NA.

b) Inspection of Works at Factory/ Workshop

For any visits that maybe necessary for the purpose of performance of testing, inspection of factory made goods/ equipment, at a location other than the site , or Raipur, the actual cost of travel (to & fro airfare/ train A/c 1st class), boarding & lodging, local transport & per diem (per person per day) costs at the rate of Rs. 3000 (Rupees three thousand only) for any visit made by officials from NRDA/ PMC/ Architect/ Consultant (maximum 3 (three) persons per instance), shall be borne by the Contractor. Such visits may be necessary for the inspection that require inspection prior to shipping from the place of its manufacture. Any other item which is required to be tested before being processed / fabricated in the factory, such visits shall require the prior written approval from the NRDA.

56. SUB-CONTRACTORS, if required

NA

57. Following conditions are the essential conditions of contract for carrying out and completing the subject work in all respect within stipulated time period. The successful agency will be responsible for completing the same as per the directives of Engineer. The charges and expenditure if any required for completing the same should be including in the quoted offer, and no separate payments against this will be made.

1. The contractor shall visit the site to access the actual quantum of work and period required for completing the same before quoting the offer.
2. Scheme specifications and quantity of the material to be used for the subject work under the contract and specified in the tender document is only for guideline purpose. However it will be the responsibility of the successful agency to obtain the measurements and specifications in detail of each and every item before starting the execution of work and complete the work in accordance with the approvals, clearances obtained for the same. All cost required for completion of work as per statutory approval, shall deemed to have included in the offer quoted.
3. The foundation and excavation for feeder pillar and control pillar, grouting of frames in wall/ ground etc., are require to be carried out by the agency, and cost for the same shall be include in the offer quoted.
4. It will be Agency's responsibility to obtain necessary sanctions and permissions by paying necessary charges towards;
 - a) Obtaining necessary scheme sanctions and permissions for completing the subject work in all respect form any concerned statutory authority.
5. The successful agency will be completely responsible for accidents occurred if any during the execution of work as well as during 24 (twenty four) months defect liability period under this contract. It will also be the responsibility of agency, for making police complaints against any thefts and accidents etc. under intimation to NRDA.
6. Charges against following listed activates should be included in the quoted offer itself and no separate payments will be made against same.
 - a) Arranging and carrying out the material inspecting at respective manufactures unit as stated in Annexure - I.
 - b) Arrangements for performing site visits and other connected activities as and when required by Engineer or his representative.

- c) Carrying out necessary co-ordination and follow up with concern authorities for obtaining necessary sanctions and permissions as required towards completion of work in all respects.
 - d) Appointing Govt. approved surveyor for carrying out site survey and preparation of computerized shop drawing, Execution drawing, As built drawing etc. with soft copy.
 - e) Any other incidental charges required towards completion of work in all respect.
7. Bills submitted against the executed and completed works at site, will be processed further by Engineer, after necessary scrutiny and verification.
- 58.** The services/ tasks/ works as referred to under clauses shall be suitably applicable to all Utility services executed by the contractor, whether specifically mentioned herein above or no.

59. Safety, Security and Protection of the Environment

The Contractor shall, throughout the execution and completion of the Works and the remedying of any defects therein:

- a) have full regard for the safety of all persons entitled to be upon the Site and keep the Site (so far as the same is under his control) and the Works (so far as the same are not completed or occupied by the Employer) in an orderly state appropriate to the avoidance of danger to such persons,
- b) provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by the Engineer or by any duly constituted authority, for the protection of the Works or for the safety and convenience of the public or others, and
- c) take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation.

60. HANDING OVER PROCESS:-

The handing over process shall be based on a performance comprising individual activities. The process shall be approved by the Engineer.

61. EROSION AND SEDIMENTATION CONTROL

NA

62. NOISE AND VIBRATION CONTROL

Noise and Existing Building Structure Vibration Generated by Construction Procedures, Equipment, Tools, and Operations: Keep to minimum practicable during demolition and removal from building and site, including loading and removing storage containers. Equipment generated noise levels shall not exceed the following in decibels:-

1.	Pneumatic tools: 86
2.	Saws: 78
3.	Other tools: 85

- i) Operation of Air Hammers, Compressors, and Reciprocating Equipment: Not permitted inside existing buildings unless specifically approved in writing by Owner.
- ii) Laws: Comply with applicable noise control laws, ordinances, and regulations.
- iii) Acoustical Enclosures: Stationary equipment may be enclosed to produce required sound attenuation subject to continued maintenance of such enclosures to ensure that specified sound levels are not exceeded.
- iv) Violations: Where field sound measurements reveal sound levels exceeding those specified, cease operating such equipment and repair or replace it with equipment that complies with the sound levels specified.
- v) Cutting and Drilling Concrete: Use only rotary or core drilling for holes through concrete. Do not use impact tools to cut or otherwise remove concrete or to install inserts.
- vi) Power-Activated Tools: Not permitted in or immediately adjacent to existing buildings, except with Owner's written approval in each specific case, except where such use is specifically specified.

63. EXISTING CONDITIONS

- i) Contractors Examination of Site:-
 - 1. By executing Contracts, Contractor and subcontractors represent that they have:
 - a. Visited the site and made due allowances for difficulties and contingencies;
 - b. Compared Contract documents with existing conditions and informed themselves of conditions to be encountered, including work by others, if any, being performed; and
 - 2. Failure to visit the site and become familiar with conditions shall not relieve Contractor or a subcontractor from furnishing materials or equipment or completing the Work in accordance with Contract documents at no additional cost.
 - 3. Contractor or subcontractors will not be given extra payment for Work related

to conditions they can determine by examining the site and Contract Documents.

- ii) Contractor shall accept the site in the condition in which they exist at the time Contractor is given access to begin the Work.
- iii) Damage caused by Contractor to existing structures, grounds plants, pavements, utilities, work by others, fixtures, or furnishings, shall be repaired by Contractor and left in as good condition as existed before the damaging, unless such existing work is shown to be removed or replaced by new Work.
- iv) Immediately upon entering the site for purposes of beginning Work, locate general reference points and take such action as is necessary to prevent their destruction; lay out Work and be responsible for lines, elevations, and measurements, and Work executed under this Contract. Exercise proper precautions to verify figures shown on Drawings before laying out Work. See Section "Field Engineering" for additional requirements.

64. LAMINATION OF DRAWINGS

All drawings issued to site shall be kept in lamination condition.-NA

1. Maintainance of installed equipments, macheneries and fixtures :

The Contractor, at the time of bidding, will be responsible to ensure the completeness and adequacy of his Bid Price to fulfil the entire responsibilities for Maintaining the installation of all installed equipment, machineries and fixtures minimum for a period of 1 year from the date of commissioning and imparting training to the workers/staff as asked for maintaining the installations as per IS requirement and exercising.

2. Handing Over:

At the time of handing over after completion of work, all the equipment, spare including standby equipment etc. must be in good working order as were taken over before commencement of defect liability period.

3. Penalties for failure to achieve the functional guarantees during WARRANTY/Defect liability Period

In case of failure to deliver the required quality of work, liquidated damages shall be imposed for such failure to meet the performance criteria, as described below. The Employer will be entitled to recover any such damages from the security deposits of the contractor or any other sum due to him. However, the contractor shall be allowed to take up routine / periodical maintenance as per IS guidelines, with prior permission of the Authority.

- i) For each breakdown of any equipment/machinery for more than 48 hour: Penalty @ Rs. 200.00 each time
- ii) Non redressal of any complaint within 72 hours: Penalty @ Rs. 500.00 for each such complaint.

65. ORDER OF PRECEDENCE

In case of any discrepancy between the items mentioned in the BoQs/Specifications/Drawing, the Order of precedence should be as follows:

- i) Item details as mentioned in the BoQs, read along with the specification shall prevail. However in case of conflict specification shall hold good.
- ii) Drawings.

66. PAYMENT

- i) 50 % of item rate will be paid on supply of material.
- ii) 40 % of item rate will be pay after **Installation/Testing/Commissioning.**
- iii) 10 % shall be released after successful completion of 1 year from the date commissioning.

Signature of NRDA.....

For the items missing in the list/ the relevant IS Code and specification should be binding on the contractor. The contractor should take approval wrt the approved vendor list prior to any procurement from the Engineer-in-charge.

A. APPROVED MAKE LIST FOR CIVIL WORKS

Sr. No.	Item	Approved Make
1	AAC Blocks	BILT or Equivalent as approved by NRDA
2	Acoustical Ceiling tiles	Armstrong / Anutone/ Hunter Douglas
3	Adhesive For Wood Work	Fevicol/Vamicol/Dunlop
4	Aluminium Accessories	Classic/Argen/Oxford/Nulite/Crown/EBCO
5	Aluminium composite panel	ALUCOBOND/ALSTONE/Eurobond
6	Aluminium Sections	Hindalco/Jindal
7	Anti-Termite Treatment	Pest Control India Ltd/Pest Control Service of India/Pest India Corporation/ Godrej
8	Bricks and Brick tiles	Best quality available conforming to class 75
9	Calcium Silicate Boards	HILUX by RAMCO/Gypsum India/Lafarge
10	Cement PPC/OPC	Ultratech/Lafarge/Ambuja/ACC/Birla/Century India Cement. Cement from mini cement plants shall not be allowed.
11	Cement Based Paint	Super Snowcem (Killick Nixon Ltd.)/Duracem/Berger
12	Cement Board	Everest/Bison/Hyderabad Industries
13	Ceramic Tiles Adhesive	Pidilite/ (Saint Gobain)/MYK/ Latricrete/Bal-Endura/ MAPAI
14	Clear Glass	Saint Gobain/Asahi India Safety/Modiguard/Pilkington
15	Concrete Additive	Sika /STP/CICO / Fosroc/Roffe/ Pidilite
16	Compressed Chequered Tiles	Eurocon/Unitile/Ultra Tiles / DURACRETE
17	Curtain Rod	Vista Levolor/Mac Décor/Aerolux/Luxelon/ Hunter Douglas
18	Dash Fasteners	Hilti/Fisher
19	Extruded Polystyrene Board	Supreme Industries/ Owens Corning/SIKA
20	Fire Doors	Shakti Met-Dor Limited/Navair/Signum
21	Flush Door	Kitply, Merino, CENTURY. Green Ply Industries/Sarda Plywood Industries Ltd (Duro Door)/Archid
22	Fly-ash Bricks	Brick Shall be as per IS 12894
23	Glass Doors (Motorised)	Autodoor Industries/DORMA/Manusa/Enox
24	Glass Fibre Acoustical Tiles	ECOPHON/Armstrong/Anutone
25	Glass mosaic tiles	Italia/Bissazza
26	Grab Bars and Disabled Hardware	DLine/ Commander/Jaguwar/Hindrance
27	GRC Screens/Louvers	Unistone/Grasim
28	Gypsum Ceiling	Lafarge/ Saint Gobain/Gypsum India
29	Heat Reflective Glass/ thermal glass	Saint Gobain/Asahi India Safety/Pilkington/ Armstrong
30	Interlocking Paving Blocks / Grass Pavers	Ultra Spectra/ Eurocon/ Duracrete
31	MDF Bords	Panelmax (Greenlam) /Anchor/Duro/Archid/Merino
32	Metal Ceilings	Armstrong / Hunter Douglas (Luxalon)

Sr. No.	Item	Approved Make
33	Mineral Fibre Grid Ceilings	Armstrong / DAIKEN/ Hunter Douglas
34	Mirrors	Modiguard/Saint Gobain/Asahi India Safety
35	Modular Toilet Partitions	BESCO by Merino/Sturdo by Greenlam
36	Night Latch	Godrej/Dorma/Heffelle/Hettich
37	Oil Bound Distemper & Dry Distemper	Nerolac Paints/Asian Paints/AkzoNobel (Dulux)
38	Panic Exit Device	Dorma/DLine/ Heffelle/Hettich
39	Ply/ Commerical board/ Block boards/ Particle Boards	ARCHID/Century/Bhutanboard/Duro/National/Kitply
40	Polyurethane insulation and waterproofing	BASF/ BAYER/Huntsman (ICI)/Lloyd Insulations
41	Polycarbonate Sheets	Lexan from Sabic/G.E./Wilson/Sunpal/Bayer
42	Polymeric APP felt	Shalimar Tar Products (STP)/ Texsa India Ltd.
43	Polysulphide Sealant	STP/CICO/Pidilite
44	Pre-Laminated Particle Board	Anchor/Merinolam/Archid/Novopan/Greenply/Kitlam
45	PVC Flooring	Tarkett Floors/LG Floors/Armstrong
46	Resin Based Cement	Killick Nixon/Berger/Nerolac/ICI/Pidilite.
47	Rolling Shutters	Shakti Met-Dor Limited/Rama Rolling Shutters&Equivalent
48	Silicone Sealant	WackerChemie/Pidilite/Dow Corning
49	Spider Fittings/ WCP profiles /Patch Fittings	Dorma/ Dline/Heifele/Hettich
50	Stainless Steel Friction Stay	Securistyle/ EBCO
51	Stainless Steel Screws	Kundan/Puja/Atul/Northfold
52	Steel: Main Producers only	SAIL/Rashtriyaspat Nigam Ltd./IISCO/TISCO/TATA/JINDAL/ESSAR
53	Structure Steel & Hallow Seation	Tata/Jindal/Sail/Bhushan
54	Synthetic Enamel Paints	AkzoNobel (Dulux)/ Kansai Nerolac Paints (Nerolac)/ Asian Paints (Apcolite)
55	Tensile Fabric Roofing	ENCON/Structureflex
56	Texture Paints (Exterior)	Heritage/ AkzoNobel (Dulux)/Asian Paints
57	Texture Paints(Interior)	Heritage/Asian Paints/Dulux
58	UPVC Rain Water Pipe	Supreme/Finolex/ KML Classic
59	Veneered Particle Board	Kitply/Anchor/Archid/Century/Duro/Bhutan/ Greenply Particle Board.
60	Veneers and Laminates	Greenlam / Century/Merino/Euro/Archid
61	Vitrified Tiles/Ceramic Tiles	NITCO/ ASIAN/ KAJARIA/RAK/ /Orient Bell
62	Wall putty	Birla / JK
63	Water Proofing Materials	Shalimar Tar Products (STP)/ SIKA/IWL (India) Ltd./Lloyd Insulations India Ltd./Chemisol Adhesive Pvt. Ltd. Mumbai Chemistik) /CICO /Choksey /Fosrock /Dr. Fixit, BASF/ AkzoNobel (Dulux)/
64	White Cement	JK/Birla
65	Wooden Finish Ceilings	Armstrong / Anutone

SCHEDULE-F

GENERAL RULES & DIRECTIONS: Officer inviting tender

Maximum percentage for quantity of items of work to be executed beyond which rates are to be determined in accordance with Clauses 12.2 & 12.3: See below

Definitions:

2(v)	Engineer-in-Charge	Executive Engineer (Civil)-1 NRDA or Any Officer Appointed by CEO, NRDA
2(viii)	Accepting Authority	Chief Executive Officer, NRDA
2(x)	Percentage on cost of materials and Labour to cover all overheads and profits:	15 %
2(xi)	Standard Schedule of Rates	CG-SOR.
2(xii)	Department	Naya Raipur Development Authority

Clause 1

- | | | |
|------|---|-----------|
| (i) | Time allowed for submission of Performance Guarantee from the date of issue of letter of acceptance | NA |
| (ii) | Maximum allowable extension beyond the period provided in (i) above | NA |

Clause 1A

Security Deposit **Security Deposit shall be refunded after successful completion the work.**

Signature of Contractor.....

Signature of NRDA.....

Clause 2

Authority for fixing compensation under clause 2

CEO, NRDA

Clause 2A

Whether Clause 2A shall be applicable **No**

Clause 5

Number of days from the date of issue of letter of
acceptance/work order for reckoning date of start

5 days

Milestone(s) as per table given below:-

To be submitted by the tendered on award of work

Sl. No.	Description of Milestone (Physical)	Time allowed in days (from date of start)	Amount to be with-held in case of non-achievement of mile stone
1.		NA	

Time allowed for execution of work

01 Month from issue of workorder.

Authority to decide:

- (i) Extension of time **CEO, NRDA** (Engineer in Charge or Engineer in Charge of Major Component in case of Composite Contracts, as the case may be)
- (ii) Rescheduling of milestones **Chief Engineer (Engineering)**

Clause 6, 6A

Clause applicable - (6 or 6A)

6A

Clause 7

Gross work to be done together with net payment /adjustment of advances for material **NA.**
collected, if any, since the last such payment for being eligible to interim payment

Signature of Contractor.....

Signature of NRDA.....

Clause 10A All the materials as per contract.

1. 2. 3.
4. 5. 6.

DELETED **General Rules & Directions – 4A/page 7, 10A/page 10, 12A/page 11,

(i), (ii)/page 44 & (iii)/page 45, 10C/page 47 & 10CA/page 48.**

Clause 10C

Component of labour expressed as percent of value of work **Not Applicable**

Clause 11

Specifications to be followed for execution of work **Tender specification attached with Tender document, Standard Specification and relevant Manufacturer Specifications, if any.**

Clause 12

12.2. & 12.3 Deviation Limit beyond which clauses 12.2 & 12.3 shall apply for work..... 25% *

12.5 Deviation Limit beyond which clauses 12.2 & 12.3 shall apply for work..... 25% *

**If the final quantity of the work done differs from the quantity in the Bill of Quantities for the particular item by more than 25 percent, provided the change exceeds 1% of Initial Contract Price, the Engineer shall adjust the rate to allow for the change*

Clause 16

Competent Authority for deciding reduced rates. **Chief Engineer (Engineering), NRDA**

Signature of Contractor.....

Signature of NRDA.....

Clause 18

List of mandatory machinery, tools & plants to be deployed by the contractor at site:-

As per relevant Clause of Special Conditions of Contract

Clause 36 (i) : Minimum Technical Representative(s) and recovery Rate

Not Applicable

Clause 42

- (i) (a) Schedule/statement for determining theoretical quantity of cement & bitumen on the basis of C.G.S.O.R Not Applicable
- (ii) Variations permissible on theoretical quantities: Not Applicable
 - (a) Cement Not Applicable
 - For works with estimated cost put to tender not more than Rs. 5 lakh. Not Applicable
 - For works with estimated cost put to tender more than Rs.5 lakh. Not Applicable
 - (b) Bitumen All Works Not Applicable
 - (c) Steel Reinforcement and structural steel sections for each diameter, section and category Not Applicable
 - (d) All other materials. Nil

RECOVERY RATES FOR QUANTITIES BEYOND PERMISSIBLE VARIATION

Sl. No.	Description of Item	Rates in figures and words at which recovery shall be made from the Contractor	
		Excess beyond permissible variation	Less use beyond permissible variation
