

NAYA RAIPUR DEVELOPMENT AUTHORITY (NRDA)

Expression of Interest for Empanelment of Consultants to work as Project Engineer for Development of Water Supply System in Naya Raipur

Naya Raipur Development Authority ("NRDA") is responsible for provision of water supply system in Naya Raipur, the green field city being developed near the city of Raipur, the capital of Chhattishgarh. NRDA has identified Jindal Water Infra (Naya Raipur) Limited as the Concessionaire for development of water supply system under a BOT Concession framework in Naya Raipur (the "Project").

NRDA intends to select an Project Engineer (PE) for the Project through a transparent competitive bidding process. The broad scope of services of the PE would be to

- (a) independently review and monitor the activities associated with design, construction and O&M of the Project facilities
- (b) co-ordinate with the Parties and ensure compliance by the Concessionaire to Project specifications
- (c) carry out regular site visits, tests and report to the parties on various aspects of the Project
- (d) review matters related to safety and environment management measures adopted by the Concessionaire for the Project.

The initial term of the Project Engineer will be 3 years, which may be extended at the sole discretion of NRDA.

For the purpose of empanelment of PE, NRDA invites Expression of Interest (EOI) from interested parties to undertake and perform the duties and functions of PE. Interested parties may obtain the Invitation for EOI document from the address given below or download the same from the official website of NRDA (www.nayarapur.com). The Invitation for EOI document can be obtained / downloaded from **January 06, 2010** and last date for submission of EOI is **January 22, 2010**.
