### NOTIFICATION

NIT no. /Telecom/ELECT/CE(E)/NRDA/2012-13, Raipur

dated: .12.2012

**In exercise of the power conferred under section 10 (C) read in conjunction with section 12 of Indian Telegraph Act 1885, the following notification is hereby made for the "Right of Way" for roll out of Telecom Network in "Naya Raipur" Service Area:-**

1. No Licensed Telecom Operator shall be permitted to construct telecom duct, erect telecom tower lay/bury its telecom cable using any type of conductor/ non conductor at "City Level" in service area of Naya Raipur Area, except to lease hire the city level duct as "Access Network" developed for this purpose under agreement between NRDA and BSNL.
2. Access Network conforming to "BSNL Guidelines on OAN" shall be made available by Bharat Sanchar Nigam Limited (BSNL) in a transparent manner on commercial basis on Lease Hire.
3. The Charges for hiring of Duct shall be fixed by BSNL on commercial basis for Naya Raipur Service Area.
4. There will be Two "Points of Handover (POH)" for entry of Optical Fiber Cables belonging to Licensed Telecom /Cable TV Operators into the Cable Duct of Naya Raipur service area. First will be near village Seri Khedi on the junction of NH-6 and expressway to Naya Raipur and second will be near village Bharagaon on the junction of NH-43 & Road No-2 of Naya Raipur. No other point of entry shall be permitted.
5. No Licensed Telecom/ Cable TV Operator shall be permitted to erect any kind of tower/pole structure for hoisting radiating/backhaul element using any wireless technology except using passive telecom infrastructure on lease hire basis, developed for this purpose as per the agreement between NRDA and BSNL. These sites will be called "Telephone Exchange Premises".
6. "Telephone Exchange Premises" thus developed by BSNL shall be made available to All Licensed Operators in a transparent manner on commercial basis on lease hire.
7. These "Telephone Exchange Premises" shall facilitate passive infrastructure viz. Tower and Space and A/C power supply with D/G backup, Round the clock Security arrangement as per the provisions made in the agreement entered into with BSNL in this regard.
8. The charges for hiring of Passive Telecom infrastructure in Naya Raipur Area shall be fixed by the steering committee in accordance with the Agreement dated 29/03/2012.
9. BSNL shall collect the usage charges from OLOs/Cable TV Operators for infrastructure as "Telecom Duct" and Telephone Exchange Premises", made available on lease hire basis on the rates fixed for this purpose.
10. In case of any dispute "Steering Committee" formed under the above referred Agreement between NRDA and BSNL, shall have the power to amend/modify/interpret.
